

WEBINAR – IMPLEMENTATION of INTEGRATED ENERGY MANAGEMENT and SUSTAINABLE ACTION PLANS

FOCUS ON MUNICIPALITIES DEVELOPING A SEAP

22 February 2016 – 10:00-12:00 CET

This webinar will present how Energy Management (EnMS) and Sustainable Energy Action Plans can be integrated according to energy management standards such as ISO50001. The webinar will focus on how to implement this integrated approach in municipalities that do not have a finalized SEAP: first steps, tips and tools, who to involve, and good practices from across Europe.

Municipalities, Regional Authorities, Covenant of Mayors Supporters and Coordinators, public and private stakeholders are invited to participate in this online webinar.

To register, click [here](#).
